

**PULITO ALL'ESTERNO, PULITO ALL'INTERNO**

Gli articoli Aquaclean sono facili da pulire, a prova di qualsiasi macchia come caffè, vino e altri cibi e si puliscono solo con acqua.

CLEAN ON THE OUTSIDE, CLEAN ON THE INSIDE

Aquaclean fabrics are easy to clean, resistant to all domestic stains such as coffee, wine, food,... using only water.

**SICURI ED ECOLOGICI**

I tessuti Aquaclean non contengono sostanze dannose e sono certificati dal Oeko Tex 100. I Tessuti aquaclean inoltre non contengono composti perfluorurati e polifluorurati (PFC).

SAFE AND ECOLOGICAL

Aquaclean fabrics do not contain harmful substances, certified by OekoTex 100. Aquaclean fabrics also do not contain harmful substances and are free of PFC.

**UNICA STRUTTURA**

La tecnologia aquaclean applica uno strato molecolare ad ogni fibra per facilitare la pulizia al contatto con l'acqua. La tecnologia Aquaclean è efficace anche su macchie che persistono da più ore o giorni sul tessuto.

UNIQUE STRUCTURE

Aquaclean applies a molecular layer to each of the fibers that facilitates the cleaning of the fabric in contact with water. Aquaclean is effective even with stains that have remained for many hours or days on the fabric.

**IGIENICO E ANTIBATTERICO**

Il trattamento SafeFront, standard per tutti i tessuti Aquaclean, controlla la presenza di virus e batteri, agendo sulle membrane e annientandoli in poche ore, evitando anche la proliferazione all'interno del tessuto. Il trattamento safeFront ha efficacia anche contro gli acari, dimostrandosi un grande alleato contro le allergie.

HYGIENIC AND ANTIBACTERIAL

The SafeFront treatment that is standard on all Aquaclean fabrics keeps viruses and bacteria at bay, acting on their membrane, destroying them in a few hours and preventing viral and bacterial growth in the tissue. SafeFront is also an effective treatment against mites, acting as a great help against allergies caused by them.
